04 Resource Allocation

Our Proprietor TAKAMUL AL ARABIA CO General Contracting Est has entrenched experience into recruitment for over one year and also holds lifetime membership of Employment Promotion

Many of our overseas clients and organizations have been with introducing TAKAMUL AL ARABIA CO General Contracting Est Manpower Services for quite a long time. Our clients have placed immense faith in us and this, in turn, has been reciprocated with sincerity of purpose and working as an extended arm of the clients.

FOOD SUPPLY

Outstanding service is one of the core values of our company; not only for our clients and partners, but also socially. That's why we also run the extra mile to bring the joy of mini pancakes to those who, due to life's circumstances, deal with difficult situations. To make a difference, we recently partnered up with Make A Wish Foundation Netherlands. This gives us the opportunity to lighten up the lives of terminally ill young people with the festiveness of mini pancakes. Later this year our partnership with Childhood Cancer International will be announced.

Our donation will be used to fund a handbook for healthy eating for children with cancer specifically tailored to the situation in India. This prevents that while their cancer treatment is successful, they still die from malnutrition. We work from the conviction that change on a practical level is the most impactful.

MECHANICAL, ELECTRICAL, CONSTRUCTION, DRILLING & SAFETY SUPPLIES

As rightly said " A great business starts with great People introducing TAKAMUL AL ARABIA CO General Contracting Est, is a manpower and HR solutions provider to multinational clients. We, having realized that the success of the organization depends on the people working behind it, ventured to nurture the same.

We offer the services of professional workforce from Engineering to Unskilled workers. Many of our overseas clients and organizations have been with introducing TAKAMUL AL ARABIA CO General Contracting Est Manpower Services for quite a long time. Our clients have placed immense faith in us and this, in turn, has been reciprocated with sincerity of purpose and working as an extended arm of the clients. Our Proprietor TAKAMUL AL ARABIA CO General Contracting Est has entrenched experience into recruitment for over one year and also holds lifetime membership of Employment Promotion.

STRUCTURAL FABRICATION & ERECTION

TAKAMUL AL ARABIA CO General Contracting Est offers a complete range of preconstruction, general contracting, design build, construction management, and self perform services, allowing our clients to work with one firm for an all-in-one, simplified experience. Because our full service team can manage a project from preconstruction to closeout and self perform much of the work, we have a unique level of control over every detail and are able to meet quality standards unmatched in the industry. TAKAMUL AL ARABIA CO General Contracting Est takes your ideas, works with an architect engineer to design plans to your specifications, and then coordinates the entire project's operations – all while keeping a cost-effective and efficient construction process in mind. Clients can rely on us to provide advice on all or part of the project cost, minimizing the risk associated with an incomplete scope of work during preconstruction. With our experience in both self perform work and construction management, TAKAMUL AL ARABIA CO General Contracting Est knows exactly what it takes to make each phase of a project successful.
